

## Leaving Alaska

An up-to-date exploration of the environmental problems and the symbolic importance of Alaska avoids easy polemics, taking into consideration the views of preservationists and oilmen, loggers and native Americans, and intimately showing Americas last great frontier. Tour.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
