

Forever An Ex

Sheridan, Kendall, and Asia bonded at a church prayer group and helped each other overcome heartbreak. Eight years later their exes are back, wreaking havoc. Sheridan's husband, who left her for a man, has reappeared with his fiancée – a woman! Kendall's ex-husband married her sister, and they're forced to reunite when her father is diagnosed with cancer. Asia has done her best to move away from her married boyfriend, until a kiss rekindles old desires.
