

A Life of Bliss: A Journey into the Heart of Creation

A Life of Bliss encourages a journey in to personal sovereignty through logos: divine order through attunement to all things natural. Personal sovereignty and inner harmony enables peaceful and communicative relationships, universal understanding, growth in expansion, light living, creative expression, development, worldly relationship and global communications. A Life of Bliss is a wonderful platform to contemporary living.

Written after working one to one with thousands of people, A Life of Bliss is a thesis of living in happiness and freedom with very valuable experience guiding all thoughts and dictations. Amanda McGregor has a background as an artist, she evolved the potential in using curating in development by embodying philosophy, spirituality, holistic thinking, through using creative communications and psychology. She has helped thousands of people, whilst exhibiting widely and allowing her creative freedom to be shared with a deep understanding of the soul, body and mind.

Her holistic approach helps intuitives, creatives, businesses and entrepreneurs in development and communications. This is the colour edition, with nine colour images.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
