

How To Make Toddlers Eat Everything: (Tricks, Tips and Tactics to feeding your picky Toddler)

Your toddlers appetite changes daily. As a caregiver or parent you decide: 1. What kind of food to be offered 2. When to let your children have meals and snacks 3. The place to eat the meals and snacks. Your toddler decides: 1. Which of the foods she wants to eat from what is set before her 2. How much she wants to eat. Start giving your toddler little amounts of food and let her demand for more. You will know when she is hungry and when she is not. At times, she will be hungry and will eat a good quantity of food. Some other times, she wont eat much. It is just normal. It happens to us adults too. If you want to question your childs appetite or growth, read this book.
