

LinkedIn For Business & You (Quick Study Business)

Gain business presence and increase your networking scope, sales, marketability, and knowledge while becoming a leader within your area of business. With over 364 million registered users worldwide whether you are a local business or international make sure you can be found on LinkedIn and that your presence is strong. Accomplish that goal using 6-laminated pages of info. Suggested uses: Personal learn to network for a better career increasing your potential and options, show your employer and/or customers your passion Business use for a team or department to make sales and develop leads through a larger network and formal business presence separate from other social media Job Seekers & Hiring use as the new resume and CV with references built in; you may get job offers without even seeking OR have a bank of potential employees within your connections

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
