

Indian Food Recipes By The CurryGuru

Original recipes from the famous Canard de Bombay restaurant, which was a Curry Heaven for over 200 celebrities. This is a professional standard cook book with a unique RecipeGrid system. Chef Saad created this system of using colors and grids, to train his cooks and chefs both here in Los Angeles and in London. This system makes it easier and faster to learn and cook effectively. Whether you are a novice, hobbyist or professional, it can make you cook like a restaurant chef in no time. He has included his own journey and philosophy of cheffing so that cooking and enjoying curry can be a way of life for you too. He totally understands the need for cooking and eating varieties of exotic delicious dishes at home. The following three quotes from his devoted followers who describe Chef Saads magical food the best: The best, the very best food that can be found - Marlon Brando Ive been coming here the longest, I cant live without your food. Love+ many Spicy kisses - Brook Shields Saad & Karen are like modern magicians - their food provides unequalled energy and cure ills. Im honored to call them my friends - Neil Harris
