

Global Meetings and Exhibitions

Global Meetings and Exhibitions is the result of two decades worth of planning, managing, and executing multinational, multicultural events across the globe. The distinguished authors have culled their world-class advice into a single, complete resource for the next generation of meeting professionals. This comprehensive guide offers everything you need to know, including the skills in multinational operations capabilities and cross-cultural awareness that are critical in today's marketplace.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
