

Disaster Preparedness: Dealing with emergencies one might encounter in Kenya

This is the first published disaster preparedness guidebook in Kenya, laying down well-researched disaster preparedness skills in a language that's easy for anyone to get through. With simple step-by-step instructions, it covers almost all the possible disasters one might encounter within the country, including terror attacks, carjacking, fire outbreaks, flash floods, building collapse, road carnage, conflicts and disease outbreaks. In addition, this manual contains comprehensive first aid and emergency medical guide for treating injuries or illnesses that every so often occur at home, workplace, or social places. But unlike other manuals, this guide focuses on prevention, than merely knowing how to respond to emergencies after they occur. Counseling and psychological care guidelines are all in this manual to help people cope with disaster impacts and explore ways of living satisfactorily. The content of this book is based on the experience of the Author in handling epic disasters in Kenya, making the book more realistic, Kenyanized and up to date. This is definitely the book to read if you want to stay safe and become disaster-ready!

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
