

## TEACH YOURSELF TO SWIM BREASTSTROKE THE EASY WAY: IN ONE MINUTE STEPS

This affordable 122 page book reveals all the secrets to teach and learn breaststroke the fastest way. Every instructor, coach, parent, competitor, and active lifestyle swimmer should invest in this content to get rewarding results! Most instructors do not know how to teach this complex stroke. But Dr. Pete was a 5-time All-American at Indiana and holds Masters World Records in breaststroke, and with his Ph.D. in psychology of learning principles created a new system to easily teach this stroke. That is a system of easy-to-master one-minute steps known as subroutines that are learned in a sequence and then chained together into a fluid motion. Dr. Pete explains in simple terms how your brain learns patterns in sequences. He also explains the why with a brief physics tutorial on how to apply Bernoullis Principle to get lift from your feet in your kick much like an airplane wing. All his cues are proven to get you faster longer-lasting results and simplify teaching this stroke the easy way in a series of small steps children and adults can easily master.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
