

Sandra Post and Me: A Veteran Pro takes a New Golfer from First Swing to Tournament

In *Sandra Post and Me*, Loral Dean, a journalist and first-time golfer, and Sandra Post, the highest-achieving golfer Canada has ever produced, combine their talents to produce a golf book with a difference—a golf book for Everywoman. From her first lesson with Sandra in late April, until mid-August, when she bravely joins Sandra and others in a mixed charity tournament, Loral records her thoughts, her growing knowledge of the game, and, most importantly and uniquely, the emotional ups and downs of her first season in a game that is notoriously full of peaks and valleys. At the same time, in detailed instructional panels, Sandra guides Loral and the reader through the steps and skills that form the basis of a good game: the grip, the stance, lining up a shot, building a swing, the elements of putting and chipping, reading a course, and much more. Illustrated with clear line drawings, punctuated with lively comments and tips by Sandra, this is an ideal book for the beginning golfer, and also for those who want to brush up on their game.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
