

Eddie Has Allergies

Did you know there was magic in a sneeze? Eddie finds out all about the power of a sneeze--and how ones differences can actually be a plus--in Eddie Has Allergies, a funny tale of the sinus-challenged and the fantasies the afflicted can sometimes encounter. Poor Eddie spends most of the year under the weather, due to horrible allergies that keep him from doing what most kids like to do. And the medicines he takes usually make him even groggier, leading him to fall asleep in class, resulting in rather bizarre dreams! He feels like hes alone in this nightmare--until a magical mentor helps him discover a bright side to his dilemma. Prose, poetry, and silly puns thread their way through this humorous tale, where a young boy finds there is greatness in everyone, including himself!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
