

## Lao-Tzu: Te-Tao Ching

Lao-tzus Te-Tao Ching has been treasured for thousands of years for its poetic statement of lifes most profound and elusive truths. This new translation, based on the 1973 discovery of two copies of the manuscript more than five centuries older than any others known, corrects many defects of the later versions. In his extensive commentary, Professor Henricks reevaluates traditional interpretations. From the Trade Paperback edition.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
