

Brandy: A Global History (Reaktion Books - Edible)

Made from distilled wine, brandy has a long, noble tradition of refined consumption, but it has also recently experienced a surge in popularity thanks to new cocktail trends. Brandy chronicles the history of this very popular spirit, traveling from medieval alchemists to present-day drink mixologists and exploring brandy's production and consumption from the Middle Ages to today. Delving into brandy's fascinating story, Becky Sue Epstein reveals that many cultures have contributed to the history of the beverage, from the Dutch calling the drink burnt wine to the Spanish colonials in Peru and California who produced the first brandies in the New World. She also explores the distillation and aging processes, and she discusses the spirit's many varieties, including the elegant, amber Cognac and the more overlooked Armagnac. In addition, Epstein offers advice on buying, storing, and serving brandy, while also providing recipes for both classic and new cocktails. Taken neat or mixed in a sidecar, Brandy is a tasty book for both connoisseurs and first-time drinkers to enjoy.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
