

Voices from the Back of the Bus: Tall Tales and Hoary Stories from Rugbys Real Heroes

Voices from the Back of the Bus provides a rare behind-the-scenes look at international rugby at the height of a golden period. Recounted with genuine warmth and much humour, over a hundred players recall the scrapes, the games, the laughs, the glory and the gritty reality of the pre-professional game. Packed with true rugby tales from the days when men played purely for the love of the game and of their nation, and multimillion-pound contracts and sponsorship deals were unheard of, this refreshing, revealing and often hilarious collection will inspire sports fans of all generations.
