

## Donya Maries Beyond Chocolate: Appetizers, Main Dishes, Sides: Everything Tastes Better With Chocolate (Volume 1)

Its an odd thing, creating a recipe. I ponder, I wonder, I research, I read, or I do none of those things and just act!

--Donya Marie Schweizer If you were asked, What are your three favorite flavors, would chocolate be one of them? When you think of chocolate, do you automatically think of desserts: candy, cake, pie, cookies? Now from renowned Restaurateur, Food Designer, Gourmet Food Manufacturer and Best-Selling Author Donya Marie Schweizer, learn how chocolate can become your flavor of choice in savory foods long before youre ready for dessert. If youve ever had the pleasure of eating at Donya Maries restaurants in Oregon or Arizona, or if youve purchased any of her professionally designed and manufactured foods, you know anyone who owns the new Donya Maries Beyond Chocolate series of cookbooks is in for a real tantalizing taste treat. Donya Maries Beyond Chocolate - Appetizers, Main Dishes, Sides is the first in her series of unique recipe books featuring chocolate as a flavoring. It follows the publication of Donya Maries smash hit and best-selling book Donya Maries Kitchen Tips, a compilation of 721 food, preparation, and kitchen tool tips of all kinds gathered by Donya Marie in her years as a cooking and food design professional. Donya Maries ability to create unusual combinations of common spices to create uncommon flavors sets her apart from other professional chefs. In this, the first cookbook of the series, youll learn how adding a bit of chocolate to almost any recipe will provide a deeper, richer flavor. Here youll find recipes such as: Sassy Fiesta Nachos Bread Dipping Oils Arroz con Pollo Original Chocolate BBQ Sauce Chicken Provence Stew Chocolate Sausage Tacos Fillet of Beef Bourguignon Dark Chocolate Marinara Sauce w/Italian Turkey Sausage and Fettuccini Parmesan Crusted Chicken w /
