

Anger Habit: Proven Principles to Calm the Stormy Mind

Carl Semmelroth's *The Anger Habit* is a leading anger-management book that is poised to become a major force in the category. This book is centered around the principle that for those who have anger problems, anger can be a learned response. Often the people with the problem don't realize that they are acting habitually, or why they are. Semmelroth takes you step by step through the process of identifying and getting over the anger habit. Case studies and stories show you how to avoid:- Feelings of losing control- Depression- Panic- Family battles

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
