

Friends with Benefits: A Social Media Marketing Handbook

The rules of marketing have changed. Savvy marketing professionals know that they must engage with individuals directly on the Web, and smart businesses know that customers can become friends with benefits. Friends With Benefits shows you how to get into the online marketing game. A guide filled with tips, tricks, and real-world case studies, Friends With Benefits shows how you can increase your company's online visibility and Web traffic and win over online influencers. Friends With Benefits explains how to: Connect with potential customers and join their conversations Tweak your website to support your social media marketing campaigns Promote your products or brand and manage the toughest negative online feedback Track marketing campaigns, monitor discussions, and measure success With viral videos racking up millions of views and Twitter mavens influencing thousands of their friends, social media marketing is an essential new tool for every marketer's toolbox. The expert authors of Friend With Benefits guide you through the social media landscape, where authenticity and connections are more important than the size of your marketing budget, and real results can be just a few clicks away.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
