

The Significance Factor: 5 Steps to Discovering and Creating a Lifetime Legacy

The Significance Factor is a straightforward, no-nonsense guide on how to define your unique influence and take the necessary steps to make a lifetime impact. Eboni L. Truss challenges you to live your significance unapologetically through five key principles; decision, definition, dissection, direction, and domination. Eboni teaches you how to look past the setbacks and labels you have created for yourself and step into the spotlight that you deserve. You were created with a divine purpose, but its up to you to use the gift God gave you to live an intentional life that others wont forget. Whether youre stuck in your comfort zone, or you havent yet realized your worth, this book provides the push that you need to move forward in to create a life full of potential, intention and of significance. Decide that you matter and start working towards a legendary life and death!

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
