

# The 7 Key Principles of Successful Recovery: The Basic Tools for Progress, Growth, and Happiness

The key principles of Alcoholics Anonymous are widely familiar as seven popular slogans: First things first. Live and let live. Easy does it. Let go and let God. One day at a time. Pass it on. Keep it simple. This inspiring book explores the deep wisdom behind these simple sayings and shows how the underlying principles relate not only to recovery but also to living happily and well in a confusing world. Mel B. and Bill P. offer a unique look at the historical, spiritual, and Twelve Step roots of the main principles of recovery. Full of practical help and support, this book gives readers a clear and useful sense of how these principles apply to the main goals of recovery: staying clean and sober, building emotional stability and maturity for successful living in sobriety, and finding the will and the way to get along with others and fulfill our full human potential.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
