

Shaman Rises (The Walker Papers, Book 10)

Joanne Walker has two choices: Defeat the enemy or lose her soul trying. For over a year, Joanne has been fighting the Master, the world's most abiding evil entity. She has sacrificed family, friendships, even watched potential futures fade away, and now the Master is bringing the final battle to Joanne's beloved Seattle. Lives will be lost as the repercussions of all Joanne's final transformation into her full Shamanic abilities come to her doorstep. Before the end, she will mourn, rejoice, and surrender everything for the hope of the world's survival. She will be a warrior and a healer. Because she is finally a Shaman Rising. The twists and turns will have readers shaking their heads while devouring the next page. USA TODAY on Raven Calls
