

# The McKinsey Personal Experience Interview Toolkit: How to (really) master the McK PEI

The McKinsey PEI (Personal Experience Interview) is by far the most underestimated part of the McKinsey interview procedure and the most likely reason why candidates fail in their interviews. Lots of candidates are not even aware that the McKinsey PEI is a distinct interview format and hasnt basically anything to do with general CV-related questions you might come across at other consulting firms like what are your strenghts, tell be about your weaknesses, etc. Therefore, mastering the McKinsey PEI requires an in-depth understanding of this interview format and very diligent preparation. With the McKinsey PEI Toolkit You Are Going To... Master the whole PEI prep process effectively and efficiently by understanding McKinseys underlying mindset regarding the PEI. Choose the right examples for your McKinsey PEI stories by acquiring in-depth knowledge of the three PEI interview dimensions and what specifically to emphasize. Lay out and prepare all your PEI stories exactly the way McKinsey wants you to have them delivered. Eliminate the huge risk of going into a wrong direction in your PEI and only assuming that you are well prepared, recognizing it only on your interview day that you are way off, once it is too late already. Get started in your PEI prep now and avoid procrastination by following a proven, time-tested process. Save a lot of time in preparing for the PEI by doing it right the first time instead of reworking it several times, especially if you are under time pressure after having received your interview slot on short notice. Score high on all PEI evaluation criteria by comprehending McKinseys scoring sheet. To put a long story short: Make sure you are well prepared for the PEI, go to your interviews in a confident manner with peace of mind, and dont risk to fail on your interview day and lose your McKinsey job

offer unnecessarily if you could have prepared for it easily. A Long Story Short:  
100% First Hand Information 6-Step Proven Process For In-Depth Prep 15 Sample Stories From Successful Candidates 20 Real-Life PEI Sample Questions 100+ Pages Of Pure Content

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
