

Mama Melisi and Me

Mama Melisi and Me is a compilation of the authors short stories, each followed by one of her moms delicious recipes. Some of the stories depict life growing up in an Italian household in New Jersey. Others are fun and hilarious observations of events and experiences. The project started after Mama Melisi unexpectedly lost her only sister, Rose. Thinking a healthy distraction was in order, the author began writing humorous and heartwarming stories, and requesting specific recipes via e-mail from Mama Melisi. The plot of each story was always an entertaining surprise and ended with the select recipe. The long-distance collaboration between mother and daughter continued, and soon gained a larger audience of family and friends. The idea was born to share Mama Melisi and Me with you, too. This is not just an ordinary cookbook. It is an intimate journey that includes over 50 easy recipes, and delicious little stories to munch on while you cook. Test your culinary talent by trying traditional Italian dishes including pasta, seafood, and desserts. When you are done in the kitchen, relax and enjoy this quick read. This Italian cookbook offers zany laughs in Bathroom Anxiety and Guess Whos Coming to the Barbecue. There is also a poignant tribute to September 11th in Remembrance and a heartwarming reaction to the Royal Wedding in Grace, Giggles and Grins - A Portrait of the Royal Wedding. Silly, uplifting, fun, nostalgic - theres a little bit of everything for everyone in Mama Melisi and Me. Whether you find yourself laughing, or with a tear in your eye, youll always have a delicious recipe to try.
