

An Innocent, a Broad

When Ann Leary and her husband, then unknown actor-comedian Denis Leary, flew to London in the early nineties for a brief getaway during Anns second trimester of pregnancy, neither anticipated the adventure that was in store for them. The morning after their arrival, Anns water broke as they strolled through Londons streets. A week later their son, Jack, was born weighing only two pounds, six ounces, and it would be five long months before mother and son could return to the States. In the meantime, Ann became an unwitting yet grateful hostage to Britains National Health Service -- a stranger in a strange land plunged abruptly into a world of breast pumps and midwives, blood oxygen levels, mad cow disease, and poll tax riots. Desperately worried about the health of her baby, Ann struggled to adapt to motherhood and make sense of a very different culture. At once an intimate family memoir, a lively travelogue, and a touching love story, *An Innocent, a Broad* is utterly engaging and unforgettable.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
