

The Bare Bones Book of Online Marketing: Organic Seo, Google Adwords Ppc, Sem & Social Media for Business

The Bare Bones Book of Online Marketing offers beginner to intermediate advise, rules and techniques for all online marketing avenues for businesses seeking to gain traffic, exposure, lead generation and sales on the internet with Google, Yahoo! and Bing search engines. With an entertaining style, and easy to understand language and screenshots, Clark expertly, and methodically walks readers through proven techniques and methods for their business websites; including organic/natural search engine optimization, Google AdWords pay per click set-up and management (PPC), content marketing, social media, ranking penalty recovery, reputation management, SEM, blogging, PR and more. This is one tool every entrepreneur-young and old-with businesses in any industry, small or large, should have lying around for reference to generate more leads online, build traffic momentum and brand awareness, gain competitive insight and rank on Google, Yahoo, Bing and minor search engines. Clark speaks on a personal level with a comedic touch to service and product based business owners or in-house marketing departments, webmasters, start-ups, SEO consultants, students of SEO, bloggers or tech savvy forward thinkers wanting to understand(and implement) technologies to become more profitable in the new age of internet commerce.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
