

Skinny Boy: A Young Mans Battle and Triumph Over Anorexia

Challenging the assumption that anorexia is an exclusively female affliction, this compelling memoir is the first to describe how a young man overcame this often fatal disorder. Handsome and popular, Gary had baseball abilities that had attracted the attention of the big leagues, until a shaming inner-voice convinced him that he needed to be thinner, leading to an out-of-control compulsion to exercise and starve himself, causing multiple hospitalizations. Providing strategies for tackling the recovery process and examples of changes in the thinking needed to take those steps, this important narrative comes at a time when eating disorders are at an all-time high in America, afflicting more than 8 million men. Demonstrating how anyone can win the internal battle between mind and body, this much-needed biography offers therapists, sufferers, and their families with powerful tools to help them triumph over this life and death battle.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
