

## Surrender

From the dazzling ballrooms of glittering London society to magnificent, cursed estate in the distant wilds of Yorkshire, comes the deliciously wicked story of a thoroughly unconventional courtship and a thrilling midnight rendezvous that could only lead to love... At four and twenty Victoria Huntington thought herself quite adept at fending off fortune hunters... until she came under siege from Lucas Colebrook, the darkly disturbing new Earl of Stonevale. Amidst the brightly plumed birds of the town, Lucas was a hawk. And when he held out the lure of moonlit rides and wild, reckless midnight escapades, Victoria found herself powerless to resist. But becoming Stonevale's companion in adventure was far more dangerous undertaking than Victoria could ever imagine. For the attractive Earl would use her every weakness to woo her, to win her, and ultimately to wed her. And soon the amber-eyed lady would find herself ensconced in a crumbling mansion deep in the English countryside... where the real reason for her hasty marriage becomes all too apparent...and where the ghosts of her dark-stained past are waiting to rise up in a terrifying plot that will threaten her life, her honor, and the only man she could ever love. From the Paperback edition.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
