

## Teach yourself Relaxation

Guidance to help you find the path to a calmer, healthier life. People tell us to relax when we're stressed out. But that's easier said than done. Teach Yourself Relaxation puts you on the path to better health by helping you relax mentally and physically. Lucidly explaining tried-and-true techniques of meditation, self-hypnosis, and posture techniques, this accessible instructional guide teaches readers safe, simple, and practical exercises designed to improve your quality of life.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
