

Scottsboro: A Tragedy of the American South (Jules and Frances Landry Award)

Scottsboro tells the riveting story of one of this country's most famous and controversial court cases and a tragic and revealing chapter in the history of the American South. In 1931, two white girls claimed they were savagely raped by nine young black men aboard a freight train moving across northeastern Alabama. The young men—ranging in age from twelve to nineteen—were quickly tried, and eight were sentenced to death. The age of the defendants, the stunning rapidity of their trials, and the harsh sentences they received sparked waves of protest and attracted national attention during the 1930s. Originally published in 1970, *Scottsboro* triggered a new interest in the case, sparking two film documentaries, several Hollywood docudramas, two autobiographies, and numerous popular and scholarly articles on the case. In his new introduction, Dan T. Carter looks back more than thirty-five years after he first wrote about the case, asking what we have learned that is new about it and what relevance the story of Scottsboro still has in the twenty-first century.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
