

High Risk Pregnancy: Management Options

This is a major international postgraduate textbook of Obstetrics which aims to assist the obstetrician both in training and trained to find the answers to the questions: How do I manage a patient with this problem? How do I perform this procedure?

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
