

Primal Bonds (Shifters Unbound)

When a female Shifter comes to town seeking refuge, Feline Shifter Sean Morrissey claims the new arrival and finds a beautiful woman who looks him straight in the eye without fear, stirring the mating frenzy within him. To relocate to a new Shifertown, half-Fae, half-Shifter Andrea Gray must accept a new mate. But Andrea's intense attraction to Sean is something she never expected—a perilous complication for a woman with a troubled past.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" •

will rejoice in the heavens.
