

Productive Procrastination: Make it Work For You Not Against You

Could it actually be wise to procrastinate sometimes? Heavens! Could that be possible?! This book contains the secrets to understanding when it can be productive to procrastinate, and provides strategies for switching on the inspiration and motivation to start and finish the important tasks and goals you've been putting off. Discover:

- *What procrastination really is, and what being a procrastinator means about you and its not that you're a lazy, disorganized slacker, either.
- *When procrastination might be beneficial (more often than you think!) and how to use it to your advantage

- *How to determine when it's good and when it's not good to procrastinate.

- *Zapping destructive procrastination at the root and heading it off at the pass.
- *How to get things done with less struggle and resistance, including a simple exercise to take you from dread to delight.

If you know that what's holding you back from success is that you're not doing what you know you need to do, that you're continually putting things off, then you're an eleventh hour person. Or if you think procrastinator is your middle name, this book was written for you!

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
