Timothy Shay (T.S.) Arthur (June 6, 1809 – March 6, 1885) was a popular nineteenth-century American author. He is most famous for his temperance novel *Ten Nights in a Bar-Room and What I Saw There* (1854), which helped demonize alcohol in the eyes of the American public. He was also the author of dozens of stories for *Godeys Ladys Book*, the most popular American monthly magazine in the antebellum era, and he published and edited his own *Arthurs Home Magazine*, a periodical in the *Godeys* model, for many years. Virtually forgotten now, Arthur did much to articulate and disseminate the values, beliefs, and habits that defined respectable, decorous middle-class life in antebellum America.
