

Freedom Within My Soul

I was so sad. How often in one single day had I wished to die of shame? Unfortunately, it seemed that my wish to live was stronger. What to do? Where to go? Whom do I tell? I was all numb, my only vision of life was when I looked in a mirror, and still at that, I had no knowledge of who this person was looking back at me. I was and from all the pain I was being fed; It wasn't for me to alleviate his sexual needs. Unfortunately, my mother, took it upon herself to simply close her eyes on a situation that could of before it actually . So young, so innocent, I did not fully understand this big mystery that was unfolding around me. This love I was searching with these new parents, I never once felt it, and yet I THOUGHT I deserved it.
