

PACQUIAO UNDER CROSSFIRE

Praises for Granville Ampong from Fellow Credentialed Journalists Granville Ampong has opened a new frontier in sportswriting. His unique style, backed up by his passion to be good and yet different, separates him from the pack. Ed de la Vega, DDS --Graduate of the University of Southern California School of Dentistry; Restorative, Cosmetic and Sports Dentist. Part-time boxing writer & photo-journalist; Multi-state licensed boxing & MMA cut-man and maker of custom-designed World Mouthguards Granville Ampong is like a baseball umpire who calls them as he uniquely sees them. If the pitch is down the middle, this writer calls it a strike. If it is high and wide, off the mark, he says so in plain language. Ampong admires the Great Man Pacquiao, yes, but he is no idol worshipper. If you want fluff and rump-kissing, look elsewhere. Ampong serves up his views and observations straight, no chaser. He is always a good, informative read. --- Michael Marley, Esq. from the Law Offices of Michael Marley in New York Granville Ampong brings an honesty in his writings on Manny Pacquiao, conqueror of the American heartlands. The author has always seen the Filipino hero with a clarity which says as much about the writer, as it does the fighter. It is a chapter in history which in later years will be remembered as ground-breaking. These essays will form a part of that history. --- Gareth A Davies, The Telegraph, London Granville Ampongs passion and dedication to the sport of boxing are easily recognized in the tone of his work. While the true journalism and pure objectivism that he demonstrates invite both acclaim and criticism, he continues to report the truth, and only the truth, exactly as he sees it. ---Lorne Scoggins, Fort Smith Boxing Examiner and Associate Pastor of Christian Lighthouse Church in Springdale, Arkansas C.S. Granville, also known as Countryman

Simeon Granville, was born Simeon Granville Tolo Hayag Vergara Ampong. He is also the book author of *May Your Name Be Sealed* and *Yahweh, the Faithful One*, both will be in the circulation soon. He writes for The Western Center for Journalism in the U.S. He has also been an active contributor of Examiner.com and other media outlets. Dozens of his best articles are jam-packed with meat and best regarded as reliable sources for broadcast information and for several broadsheets and internet publications. He won first place in the International Speech Contest in 2000 which was held at the Ron Hubbard Auditorium in Los Angeles, California.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
