

A Programmers Introduction to C# 2.0 (Experts Voice)

* Written by a member of the original C# language design team and C# Program Manager; contains the expertise that pro C# programmers want. * Follows the successful first and second editions; one of the earliest practical books for developers using C# 2.0. * Introduces developers to critical new language elements introduced in C# 2.0, including generics, iterators, and partial classes. * Good introduction to C#.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
