

## Birds in Mallorca (Helm Field Guides)

A guide for the birder or naturalist embarking on a holiday in Mallorca with illustrations of the island by the author. It examines all parts of Mallorca with regional accounts from the Salinas de Levants salt pans in the south, to the northern Sierras and the coast and back lanes of Cala D'Or. Pat Bishop, with her late husband Eddie Watkinson, were honorary representatives of the RSPB on the island and were partly responsible for the setting up of the first nature reserve in the Albufera.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
