

Hero Unmasked (Heroes of Saturn Book 3)

When Dhavin Kilsgaard landed on Earth, he knew trading his life as a royal guard for a position as a small-town police officer would take some adjusting. But not even his skills at foiling assassination attempts and protecting princesses prepared him for the complexity that is the human female. Fiona Corrones shy smile makes him hunger for more than a taste of the delicious chocolate she sells in her candy store, but the woman wont fall for his Llanos charm. When his empathetic abilities sense her lusty cravings for his superhero alter ego, he doesnt hesitate to seduce her from behind the mask. Once she falls in love with him, shell forgive him for the ruse, right? Fiona is beyond livid when she discovers the flirtatious officer and her hunky hero lover are one and the same. Before she kicks Dhavin to the curb, shell prove Earth girls arent easy and revenge is sweetest when served with leather straps and whipped cream.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
