

Eternal Sin (Mark of the Vampire)

The violent attack left Synjon destroyed and his lover dead-at the will of the evil vampire Cruen. Syn's passionate savior was Petra. When she became pregnant with his child, it should have been a blessing-until Syn vanished after discovering the truth: Petra was the daughter of the man he despised above all others. The daughter of Cruen. When Petra's health begins to decline, she contacts Syn to help save their baby. Though reluctant to see Petra, he cannot turn his back on his own innocent child. But night after night, as his feelings for Petra are rekindled, Syn becomes increasingly torn. Although everyone assumes that Cruen is dead, Syn is not convinced-and is still hell-bent on finding and destroying him once and for all. But will his thirst for vengeance keep him from seeing what is really worth living for before it is too late?

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
