

Guerra de titanes (Spanish Edition)

El auge de los smartphones y las tablets ha revolucionado la industria informática, y en el centro de este cambio tecnológico hay dos empresas que destacan: Apple y Google. La rivalidad entre ellas y las distintas culturas corporativas permiten que se produzca una guerra que se libra en los mercados, en los tribunales y sobre todo en las pantallas de billones de usuarios. Este es un ensayo que se lee como una novela de intriga y que permite vislumbrar el futuro al cual nos acercamos. / The rise of smartphones and tablets has altered the business of making computers. At the center of this change are Apple and Google, two companies whose philosophies, leaders, and commercial acumen have steamrolled the competition. They forge alliances with major players like Facebook and Microsoft in pursuit of market dominance.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
