

Studies in Jewish Dream Interpretation

The interpretation of dreams in Jewish tradition appears as early as the beginning chapters of the Bible, and scholars have pointed out that even Freud was influenced by the speculation of Jewish dream interpretation in biblical and talmudic literature. These classical texts have served to stimulate and organize Jewish thinking about dreams, one of the perennial existential concerns in human life. Monford Harris explores different conceptions of dream interpretation in Jewish thought and includes material dealing with two traditional dream-therapy services. One service is conducted on several occasions during the liturgical year when priests bless the assembled congregants. The other service is conducted when a congregant is troubled by a dream. Harris's exploration into the realm of dream interpretation is important for individuals who are especially interested in Jewish intellectual history and popular culture, as well as for therapists, who will find the two synagogue therapy services provocative and intellectually stimulating.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
