

## i-boxer (Volume 1)

In the boxing world it is often said if you talk the talk, then you need to walk the walk. Well in a new book called i-boxer, the internet boxer, you can hear talk about the sweet science but now you can also see just how some of the top fighters have walked the walk. You might just want to put your gloves on as you enter the ring in this new experience of reading and learning. - Teddy Atlas, Boxing Trainer of Champions, ESPN Boxing Analyst
