

## Rock My Body (Black Falcon)

Tyke Douglas is tired of being the glue that holds the hottest band in the world together. If the rest of the guys are out doing their own thing, then why shouldn't he? He's about to turn things up a notch and bring a whole new level of crazy into Black Falcons world. Francine Mead is putting her sordid past behind her. The first step in her new life is taking a job as an addiction counselor, where she can mentor others through their struggles. Francine never expected to be lured back into temptation when her first sexy celebrity client, Tyke Douglas, walks through her door. Both Tyke and Francine know that a relationship between them would be a disaster, but with each session, things continue to heat up, making it impossible to deny the connection they share. Boundaries cross, attractions heighten, and their willpower will be tested to the very limit. Contains mature themes.
