

## Four Kitchens

With the help of this cookbook, even the most humble meal can be transformed into restaurant-quality cuisine. Chef and restaurateur Colin Fassnidge leapt to prominence on the outspoken Irishman on Australian reality show *My Kitchen Rules*. His first book is an extension of what he's created in his restaurants, *The Four in Hand* and *4Fourteen*. An introduction for each section provides insight into Colin's own inspiration, offers advice, and shares secrets to turn the modest home-cooked meal into impressive restaurant fare. The style of food is predominantly drawn from *4Fourteen*, an all-day Eating House and bar, with an emphasis on share food, from small plates to whole animals. Includes dual measurements.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
