

The Billionaire Rancher Buys a Wife [Wives for the Western Billionaires 2] (Siren Publishing Everlasting Classic)

[Siren Everlasting Classic: Erotic Cowboy Romance] Drake Terrell wins a bid to date Janice Dedrick. He expects a fun fling. She refuses his offer and ends their date early. Drake realizes she means more to him than he thought. He decides to pursue her seriously. Janice has doubts about his sincerity. She gives him an ultimatum: change his career, buy a ranch, and agree to have children before she'll consider him. She's bluffing, never thinking he'd do what she asked. Meanwhile, she receives threatening midnight calls, and accidents, or real threats, begin to endanger her and Drake. Drake calls his brother to help find the person trying to injure or kill them. As their love heats up, so does the stalker's determination. Can this rancher win Janice's heart and save her life? ** A Siren Erotic Romance

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
