

Dry-Curing Pork: Make Your Own Salami, Pancetta, Coppa, Prosciutto, and More (Countryman Know How)

Make your own dry-cured pork delicacies at home with the know-how you'll learn from this book. Over the centuries, dry-cured pork has evolved as a food of the changing seasons. Its flavors are truly a taste of the landscape and climate, and they have served as a crucial, long-lasting food source for many cultures. Dry-cured pork is the ultimate slow food. It doesn't need to be complicated but it's important to have clear, step-by-step instructions. That's where Hector Kent comes in. Kent, a science teacher by trade, has written the book he wished he had when he made his first prosciutto: One that brings together the critical components of curing in the simplest form possible, with photographs and illustrations to assure the reader of safe and delicious results. In addition to basic recipes, Kent offers readers interviews, advice, and recipes from several trend-setting dry-curing operations across the country.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
