

Baldurs Gate: A Novelization

Bhaal must be stopped! Someone is sabotaging the iron mines of the Sword Coast, pushing powerful realms toward a bloody war, and a young mercenary toward an unimaginable secret. Evil gods, giant spiders, murderous doppelgangers, flesh-eating ghouls, and wicked Zhentarim come to life in the action-packed novelization of the Baldurs Gate computer game from BioWare and Interplay.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
