

## When the Dead Speak (Southern Spirits Book 2)

When the Dead Speak by Bailey Bradford Book two in the Southern Spirits series The only way to stay alive is to listen when the dead speak Sheriff Laine Stenley thinks he might just be losing his mind. Ever since hed encountered the spirit of his friends deceased mother, strange things have been happening. His sheriffs tin star keeps popping off, his Stetson tends to fly off his head at the most inconvenient times and then there are the subtle caresses that remind him of a lovers touch Something Laine has been without for years since the violent murder of his partner and figures to be without well into the future if he wants to retain his position as the sheriff in the small town of McKinton, Texas. Laine doesnt want to risk his career or his heart ever again, but he may not have a choice, not if he wants to stay alive. A man who listens to spirits, Severo has come to McKinton to deliver a message of danger. One look at the sexy sheriff and Severo finds himself in a different sort of danger. Hes not ready to find a man who can claim him heart, soul, and body, but ready or not, the attraction that simmers between them is undeniable and irresistible. Together, they will race against time, because something evil is coming to McKinton. Severo and Laine must learn to trust each other and themselves and listen when the dead speak. The Southern Spirits series Theres nothing quite like a Southern drawl or Southern charm and nothing so loyal as a Southern spirit. On the surface, McKinton, Texas seems like the stereotypical small town, USA. Smiling faces greet you everywhere you go, and people are quick to lend a helping hand. Most people, that is. Then theres the ones who let hate rule their lives, who are controlled by their own twisted passions, who are determined to hurt and destroy. Only love can withstand and triumph over such hatred, but sometimes, even love needs a helping

hand. There's something in McKinton that stands ready; Southern Spirits that intervene at the worst and best of times. With their humor, charm, and death-defying love, these spirits. About Bailey Bradford A native Texan, Bailey spends her days spinning stories around in her head, which has contributed to more than one incident of tripping over her own feet. Evenings are reserved for pounding away at the keyboard, as are early morning hours. Sleep? Doesn't happen much. Writing is too much fun, and there are too many characters bouncing about, tapping on Bailey's brain demanding to be let out. Caffeine and chocolate are permanent fixtures in Bailey's office and are never far from hand at any given time. Removing either of those necessities from Bailey's presence can result in what is known as A Very, Very Scary Bailey and is not advised under any circumstances.
