

The Guide to Family Health (Arabic)

The encyclopedia The Guide to Family Health is built on extensive and in-depth reviews in order to keep up with the most important update of changes in methods of treatment and diagnosis, and to take advantage of modern technologies known to the world of medicine in a manner based on the demonstrated application and comparison of scientific explanation, and direct answer to every basic questions or emergency situation. This book aims to encourage individuals to rely on themselves in terms of health so that they feel healthy and maintain their health, protect it from disturbances or disruptions, and treat it when exposed to an emergency. In this book there are regulations for self-diagnosis of common diseases to help the reader differentiate between diseases that can be treated by the patient himself and others that need a doctors help. Also, the book explains what exactly happens in the body and how disorders take place and the way to treat them. It is a useful book for every single person in the family, whether male or female, for the subjects of childhood, adulthood, and old age.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
