

The FAQs of Pool & Pocket Billiards: Frequently Asked Questions for the Casual & Regular Player

[SUPPORT: When you purchase this book, author help is included. Send your question about the material by email (see inside the book).] If the pleasures and challenges of the Green Game attract your attention, this book provides a single source to provide a thorough and complete education on the games of pocket billiards. Learn about the basics, including how to use the equipment, how to take care of your cue, how to gamble (and not lose), how to practice, how to teach friends (and children), and so much more. There are tips and tricks that will improve your skills and abilities. Instead of taking years to pick up on the world of pool, save yourself a lot of time and read this book. There is a complete glossary that contains hundreds of the common terms and phrases used in the sport. All of the rules for the common games are provided - in simple language so that you can quickly introduce new games to your friends. Learn about all the different 8 Ball games, and others (3 Ball, 7 Ball, 9 Ball, 10 Ball, Straight Pool, etc.) If you have youngsters learning how to play pool, read up on this resource and help them understand the concepts of pool, sportsmanship, and proper table etiquette. Learn how to introduce them to a sporting world they will be exposed to for their entire lifetime. Amazon is not currently configured for PDF versions (see the authors billiard gods website).
