

Life of Billy Dixon: Plainsman, Scout, and Pioneer

Life of Billy Dixon is a compelling narrative of the wild, free life on the Great Plains frontier. Ride with Billy Dixon to a high point on the plains and look out over a nearly solid mass of buffalo that stretches in every direction as far as the eye can see. Stand with Billy Dixon at Adobe Walls, in the unsettled Texas Panhandle, as hundreds of Comanche, Kiowa, and Cheyenne warriors on horseback charge out of the pre-dawn darkness toward a few dozen buffalo hunters. Crouch down in desperation with Billy Dixon at the Buffalo Wallow Fight as he and a few wounded and dying men lie in a shallow depression on the plains surrounded by howling Indians. In the Life of Billy Dixon the Great Plains frontier is seen through the knowing eyes of a participant who lived that frontier experience and who fortunately left an accurate and engaging record for those who followed.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
